

CE Certificate of Conformity

number: 2026118

1. Product Identification Code	Base plate FA-BP8080B (1001)
2. Type, Structural System	FA-BP8080B
3. Usage	UNIVERZAL BASE PLATE STEEL 800x800x15mm
4. Manufacturer	TAF - TRUSS ALUMINIUM FACTORY a.s., Hodolany 1226, 779 00 Olomouc-Hodolany, Czech Republic
5. Evaluation System	2+
6. Identification Number of Certification Organization	2451
Harmonised technical Norm	EN 1090-1:2009+A1:2011
7. Product Details:	
Toleration and Geometrical Information	EN 1090-2
Weldability	Steel S235JRH according EN 10025-2
Fructural Toughness	27J at 20°C
Loading Capacity	NPD
Usage Deformation in Limit State	NPD
Fatigue Life	NPD
Fire Resistance	NPD
Fire Reaction	Material Classification: Class A1
Cadmium Release	NPD
Radioactivity Emission	NPD
Durability	Surface untreated (powder coating)
8. Structural Characteristics:	
Design	Production documentation for 1001
Production	According the segment specification and EN 1090-2 class EXC1

Product characteristics mentioned in points 1 and 2 are in compliance with characteristics listed in point 7. Manufacturer listed in point 4 takes all responsibility for issue of this "Certification of Conformity".

Manufacturer's Signature:

Date: 2.7.2026

Signature: Ing. Jakub Rozbořil
