

rSeries 2016-17 Case (STAC System)

SKU: 3R2016-17B-E

Description

Part of SKB's STAC (Stackable Transport Accessory Case) System. These rSeries sizes are designed and optimized to securely stack in many combinations on a standard shipping pallet. Offered standard in black, they are also available in custom colors. Contact your sales representative for more information.

rSeries Mil-Standard cases have been designed to meet the most exacting military specifications. They are roto-molded of impact-resistant/UV stabilized LLDPE for strength and durability, featuring airtight and waterproof construction with solid stainless steel latches and hinges that will withstand the most demanding shipping conditions. rSeries cases come standard with an empty interior, and some models are available with: cubed foam, layered foam, padded dividers, and a pull handle with wheels.

Features

- Waterproof and dust tight design (MIL-STD 810H)
- LLDPE Polyethylene impact resistant
- UV, solvents, corrosion, fungus resistant (MIL-STD 810H)
- Pressure relief / breather valves
- Resistant to impact damage (MIL-STD 810H)
- Stainless steel latches and hinges
