

140 W LED barrel scan effect

EAN: 8717748620255

The Showtec Demon is a dynamic barrel scan effect designed to deliver vibrant, high-energy visuals for clubs, stages, and events. It features an internal rotating moonflower mirror, a colour wheel, and a gobo wheel for endless creative possibilities. Powered by a 140 W LED source, the Demon produces bright, colourful beams with sharp projections. Control options include DMX/RDM, auto programs, and sound-to-light mode, with selectable 3-, 9-, or 12-channel DMX modes for flexible programming. The colour wheel offers 9 fixed colours + open, while the software enables split colour effects for up to 16 colour combinations. The gobo wheel includes 7 gobos + open, with replaceable rotating gobo for dynamic patterns. The barrel mirror and moonflower mirror both feature infinite rotation, creating continuous movement and immersive effects. With 180° pan, internal programs, and sound-reactive operation, the Demon is perfect for energising any show. Installation is easy thanks to the included quick-lock bracket, which supports truss mounting. The fixture can also be wall-mounted using its standard bracket.

Special features:

- 140 W LED source
- Barrel and moonflower mirrors with infinite rotation
- Colour wheel (9 colours + open) with split colour function
- Gobo wheel (7 gobos + open) with replaceable rotating gobos
- DMX/RDM, auto programs, and sound-to-light mode
- Quick-lock bracket included
